the venue

Perched atop a lush green hill, overlooking the picturesque Carrick Roads, Coastland is a truly magical place to celebrate your special day. A venue like no-other, Coastland is a place where people and nature connect.

Located in an Area of Outstanding Natural Beauty, watch the to-ing and fro-ing of boats and the tides ebb & flow, from your wedding site, giving you the feel of an endlessly changing backdrop.

We believe in creating a personal connection to the site, so exclusive wedding hire is spread across the weekend. Available to hire for a limited amount of weekends annually, you'll be one of a handful of couples that tie the knot at Coastland over the course of the year.

There's no corporate vibe lingering in the air, it is all good vibes and romance. This venue is a blank canvas, capable of transforming into anything, the only limits are your imagination.

activities

What better way to celebrate your wedding weekend than with some activities with your nearest and dearest. Whatever your cup of tea, we're sure we have something for everyone. Here are a few of our suggestions, however we are happy to tailor make a package to suit.

Yoga session: Yoga can be an excellent way to reduce stress, centre the mind, and prepare the body for the busy days ahead. It can also help your guests connect with one another and create a sense of community before the big day.

Paddleboarding/Kayaking: Why not hire some paddleboards + kayaks and go off exploring for the afternoon? We can recommend a number of places to visit, depending on the experience level of the group.

Sailing: Sailing is the backbone of Coastland and where things all began. With our range of dinghies and catamarans, we offer coaching, tuition + hire. Rookie to Racer, Coastland has the expertise & equipment to make your time on the water perfect.

Foil tow: Get your first experience of riding a foiling board. Our experienced instructors will have you up and flying in no time! No experience needed and this is a fun, take-it-as-seriously-as-you-want activity for the whole family.
